

I would like to express consumer voice to DENY the sale/transfer of Licenses and Authorizations held by Rainbow DBS Company LLC to EchoStar Satellite LLC. I believe it is in the best interest of the Satellite TV public to have a viable third satellite company. Rainbow DBS Company LLC subsidiary Voom is committed to providing the most HD content. In the event that Voom is carved-out from the parent company, Cablevision, Voom HD LLC is committed to continue to provide this valuable service to the public.
